

# MX SEAT COVER

- A specifically designed seat cover made to enhance riding ability with the power of today's machines.
- The design offers maximum traction but still let you slide around on the seat when needed.
- Seat top features a pleated ribbed design sections for maximum control and feel in any seated position.
- Additional grip material on side panels provide much-needed traction while standing and gripping the bike with your knees.
- All seams are double-stitched for added durability and water resistance.
- Easy installation; No cutting, Sanding or Filing required.
- Seat covers only; seats are not included.
